## “78th Independence Day Celebration & Tree Plantation Drive” Event-Report

### Objective:

1. Commemorate Independence Day: To celebrate the 78th Independence Day of India with meaningful actions that contribute to the environment and community well-being.
2. Environmental Sustainability: To promote environmental sustainability by planting 78 trees under the "Plant4Mother Campaign" symbolizing the growth and progress of the nation.

On 15th August, the NSS unit of DYPCOE, in collaboration with the "For Future Foundation," organized a tree plantation drive at Akurdi Railway Station to mark the 78th Independence Day of India. The event was a significant step towards promoting environmental sustainability and community involvement.

As part of the "Plant4Mother Campaign," a total of 78 trees were planted, representing the 78 years of India's independence. This initiative was a tribute to the nation's progress and a commitment to a greener future. The event was further graced by the presence of Shri Shekhar Singh, IAS Commissioner of the Pimpri Chinchwad Municipal Corporation, who supported the cause and encouraged the participants.

The tree plantation drive on Independence Day was a meaningful way to celebrate the nation's freedom while contributing to its ecological well-being. The NSS unit's dedication to environmental causes, combined with the support of local authorities, made the event a resounding success.

### Tree Plantation Details:

- 20 Custard Apple Trees

## Outcome Of Activity:

1. Increased Environmental Awareness: The tree plantation drive successfully raised awareness about the importance of environmental conservation among students and the local community. Participants learned about the various benefits of tree planting and the role they can play in promoting sustainability.
2. Community Involvement: The involvement of the "For Future Foundation" and local authorities fostered a sense of community. The collaboration highlighted the power of collective action in addressing environmental challenges.
3. Positive Impact on the Environment: The planting of 78 trees at Akurdi Railway Station contributed to the greening of the area, improving air quality and providing a habitat for local wildlife. The initiative will have long-term environmental benefits, making the surroundings more pleasant and eco-friendly.
4. Commitment to a Greener Future: The event reinforced the commitment of the DYPCOE community to creating a sustainable future. By participating in the "Plant4Mother Campaign" students and guests alike pledged to continue supporting environmental causes and promoting green initiatives.
