“Anti-Ragging Street Play.” Event-Report

Objective:

1. The primary objective of the street play was to spread awareness about anti-ragging measures and promote a safe and respectful campus environment.
2. Legal Awareness: Highlight the legal consequences of ragging, including relevant sections of the Indian Penal Code (IPC) and the University Grants Commission (UGC) regulations. Encourage students to report incidents promptly.

The National Service Scheme (NSS) unit of DYPCOE organized an impactful street play as part of its ongoing efforts to raise awareness about the critical issue of ragging on campus. The event was a powerful reminder of the destructive consequences of ragging and a call to action for all students to stand together against this menace.

The Anti-Ragging Event, held as part of the Anti-Ragging Week (12th August to 18th August), aimed to raise awareness and foster a respectful environment on campus. Key highlights included a powerful street play that depicted the harmful effects of ragging, a pledge taken by attendees to eradicate ragging.

Through these initiatives, students demonstrated their commitment to maintaining a ragging-free college experience. Through powerful dialogues and emotional scenes, the play emphasized the importance of treating fellow students with kindness, respect, and empathy. Participants gained valuable insights into identifying signs of ragging, coping mechanisms, and available support systems. Vibrant posters, banners were strategically placed to raise awareness about the consequences of ragging. Students were encouraged to actively participate in creating a ragging-free environment by spreading awareness among their peers.

Outcome Of Activity:

1. Increased Awareness: The event successfully raised awareness about the harmful effects of ragging among students, faculty, and staff. Participants gained a deeper understanding of the consequences of ragging and the importance of preventing it.
2. Positive Interaction: Through activities like the poster-making event and the interactive sessions, students engaged in positive discussions. They learned how to foster a friendly and respectful environment on campus, promoting healthy interactions among peers.
3. Commitment to No-Tolerance Policy: The Anti-Ragging Day and the pledge-taking session reinforced the commitment to a strict no-tolerance policy against ragging. Students pledged to report any incidents promptly and actively contribute to maintaining a safe campus.
4. Empowered Students: By actively participating in the event, students felt empowered to take action against ragging. They understood their role in creating a conducive learning environment and became advocates for a ragging-free campus.
